Dear Muncy Family,

I hope this letter finds you and your family in good health.

The purpose of this letter is to emphasize the importance of you continuing to share with us your feedback in relation to our distance learning solution. Although we certainly hope our school community will all be back together this fall, we want to make sure we take this time to work together to continuously improve our distance learning solution for all students and families.

Please share with us what is working for your family and what is not working for your family. In this manner, we can determine which processes we need to maintain, which approaches we need to modify or add and, if necessary, what we may need to eliminate in case there is a need for us to use a similar approach in the future. We appreciate the feedback we have received to date. Please know we are using received feedback to proactively develop long-term solutions.

The school district will continue to serve meals through the end of June, please see the schedule below for the remaining dates and times for meal pick-up.

With that in mind, I want to express my sincere gratitude for all of the patience, flexibility, cooperation and support each of you has displayed throughout the implementation of our distance learning solution. We certainly recognize and appreciate all of your efforts in collaborating with us throughout the duration of the school closure and the stay at home order. Lastly, a special SHOUT OUT to all of the frontline workers in our community! We simply cannot thank you enough for all of your efforts!

Please take care of yourselves and your families.

Stay Safe, Stay Healthy, Stay Strong!
