

June 2, 2020

To All of My Seniors,

I hope this letter finds you all in good health during this pandemic. I would like to congratulate all 54 of you for fulfilling the graduation requirements of the Muncy School District. I am writing this letter to you as a reminder of our individual/family graduations on June 5, 8 and 9. The second purpose of my letter is to inform you of a date change with our whole class graduation.

After meeting with the senior class advisors and officers, we have decided to change the date of the in-person whole class graduation to Wednesday, June 17<sup>th</sup> at 6:00 p.m. Lycoming County's move to the green phase and the small number of graduates in the Class of 2020 allows us to make this happen in June. We had tentatively planned a whole class graduation in August but are fearful that Lycoming County might not be in the green phase then and do not want to miss this opportunity.

In the green phase we are limited to 250 people at a public gathering. Each senior will receive three (3) reserved seating, numbered tickets for the whole class graduation on June 17<sup>th</sup> at 6:00 p.m. There will be no access to or reason for parents to tape off seats as in the past. There will be one entry point for parents with tickets which will be clearly marked on the front lawn. Seniors will have a mandatory rehearsal on Wednesday, June 17<sup>th</sup> at 3:00 p.m. for the whole class graduation. The rain date for the whole class graduation is Thursday, June 18<sup>th</sup>. The times would remain the same for the mandatory rehearsal and the ceremony.

We still plan on holding the individual/family style graduations on June 5, 8 and 9, with rain make up days of June 10, 11 and 12 if necessary. We chose to keep these individual graduation dates so seniors could continue to have the 15 guests they had planned for originally. We also felt that doing the whole class graduation first was not possible because the schedule, which is included, has been out for a month. We chose June 17<sup>th</sup> for the whole class graduation to give seniors two weeks to notify their employers to get the time off work for graduation and rehearsal.

We are fully aware that every decision we made will not make every family 100% satisfied. We did the best we could under the circumstances we were given. I hope that the school taking the time and resources to do both ceremonies demonstrates that we truly care about our seniors and the Class of 2020.

Individual/family style graduation times and dates are listed on the next several pages. Thank you for your patience and cooperation in this trying time for all. I hope to see you all at both graduation ceremonies. Feel free to call or email me with any questions. Be safe and stay healthy.

Sincerely,

Tim Welliver  
Principal
