Dear Muncy Family:

This is Craig Skaluba, Superintendent of Muncy School District, letting you know that at approximately 9:00 p.m. on Friday evening the school district received notification that a Muncy Jr. / Sr. High student has tested positive for COVID-19. I have been working with the Department of Health all weekend and will be following-up again with them this morning. The Department of Health is completing all contact tracing and the school district will follow our Health and Safety Plan and any additional recommendations provided by the Department of Health. Please note our health and safety plan requires us to take every measure to maintain confidentiality. I hope to have another update as some point in the near future.

Craig
