Dear Muncy Family,

I hope this letter finds you and your family in good health.

The purpose of this letter is to let everyone know that Monday, October 26th will now be a scheduled 'Distance Learning Day' for all students. The district will provide transportation from the high school to LycoCTC for students to attend LycoCTC on October 26th. Students may also arrange for their own transportation to LycoCTC on that day or students may log into their LycoCTC classes via Google classroom.

Please use the following link to access the [2020-2021 school district calendar](#) updated to indicate the 'Distance Learning Day' on Monday, October 26th.

Additionally last evening, the board decided on the following thresholds and actions based on the number of cases of COVID-19 within a 14-day period in the same school building.

Please note that only confirmed cases that result in direct exposures inside each school building will be used in making this determination. For example, a confirmed case that was not in school during the exposure window or a confirmed case that was in quarantine during the exposure window will not be included in this determination. Additionally, the district may consult with Department of Health Staff to assist the district in making these determinations.

The continuity of our educational environment involves every individual working together to practice universal precautions as follows:

- **If sick, please stay home.** Please use the updated [symptom-screening tool](#) prior to having your child(ren) ride the school bus or attend school in the morning. Immediately seek medical advice/attention if one has symptoms of COVID-19.
- **Practice good hand hygiene** by regularly washing your hands, using hand sanitizer when unable to wash your hands and avoid touching your face and eyes.
- **To the maximum extent possible, maintain a physical or social distance from others.** If possible, try to maintain a physical or social distance of at least six (6) feet from others. If not possible, maintain as much physical or social distance as possible based on the circumstances.
- **Wear face coverings at all times with [limited exceptions](#),** even when able to keep six feet apart. All face coverings need to cover both the mouth and the nose.

As always, please e-mail us or give us a call if you have any questions or concerns. We will continue to work as quickly as possible to answer individual inquiries.
