September 11, 2020

Dear Muncy Family,

I hope this letter finds you and your family in good health.

The purpose of this letter is to remind everyone of the **planned 'Distance Learning Day' scheduled for Friday, September 18th**.

The **district will provide transportation from the high school to LycoCTC** for students to attend LycoCTC on the 18th. Students may also arrange for their own transportation to LycoCTC on that day or students may log into their LycoCTC classes via Google classroom.

Please use the following link to access the [2020-2021 school district calendar](#) updated to indicate the 'Distance Learning Day' on Friday, September 18th. **The Board will evaluate the need for additional 'Distance Learning Days' at the September Board Meeting.** Please use the registration link below if you wish to participate in September's Board meeting https://zoom.us/webinar/register/WN_z29d-pXdRxaBX_1AStE-Mg

Planned distance learning days are designed to assist our teachers with planning and implementation efforts for the 2020-2021 school year, while students work on assignments from home. Teachers will be communicating assignment expectations for the distance learning day on Friday, September 18th with students and families both this week and next week. Student attendance on 'Distance Learning Days' will be monitored by assignment completion.

Parents / Guardians of all Option 1 students, **students should be bringing their Chromebooks home on Thursday, September 17th for the 'Distance Learning Day' and should bring their Chromebooks back to school on Monday, September 21st.**

Please note the expectations for teachers on distance learning days as follows:

- Teachers will post assignments, instructions, videos and assessments in Google Classroom for students to complete.
- Assignments, instructions, videos and assessments will be reviewed during scheduled in-person/virtual instruction days prior to each distance learning day so students know what they need to complete during each distance learning day.
- Students may use e-mail, Remind, SeeSaw or Go Guardian to contact teachers with any questions.
- Teachers may contact students via email, Remind, SeeSaw, Go Guardian or Zoom as needed.
- Teachers may conduct a live distance learning class for all learners as needed.
- Students are expected to turn in all distance learning assignments posted in Google classroom or assigned during in-person/virtual instruction on the next scheduled in-person/virtual instructional day (in this case - September 21st).

We continue to update our [Distance Learning Resources](#) page for students based on received feedback. Please continue to share your feedback with us so we can continue to move forward together and help make our plans stronger and more viable.

Effective starting today (Friday, September 11th), the district has been approved to serve free meals to all students through December 23rd. Food service will be sending an electronic communication home next week for any child 18 years old or younger not participating in in-person instruction who would like to sign-up to participate in a weekly meal distribution.

Please remember you can download the MUNCY SCHOOL DISTRICT MOBILE APP to your mobile device through the Apple App Store or Google Play by searching for Muncy School District.

The MUNCY SD MOBILE APP allows you to receive push notifications from the school district to your mobile device (e.g., school delays, dismissals or closures) and includes general information about the school district such as the calendar of events, staff directory, school helpline information and links to different parts of the school district's website such as the athletics and food services web pages.

If interested in watching tonight's football game vs. Warrior Run, please use the livestream link below
