

Muncy High School  
Athletic Hall of Fame  
Stan Lucas  
Class of 1949  
Induction year 1992

Stan was a three sports performer while lettering four years in football and baseball and three years in basketball. He was team captain in basketball and football his senior year. Stan was a fierce competitor and a leader on each team, nothing marginal here, possibly one of the most coordinated athletes in MHS annals.

In football he was a very good running back and played defense. He really stood out on some very so, so Muncy Teams in that era.

In baseball Stan could play all eight defensive positions extremely well. He had a natural swing that enabled him to hit those screaming line drive hits. Stan had a real good, 17 year semi-pro career and culminated it with a championship in 1964 with the Muncy team in the West Branch League. Stan was their 2<sup>nd</sup> baseman and sported a .300+ batting average.

In basketball, one Muncy basketball fan described Stan as “smooth as silk” as a pivot man, scorer, re-bouncer and passer. Stan was a 1<sup>st</sup> Team All-Star performer in the West Branch League his senior year.
