

Help children and youth experiencing homelessness find their way to resources they need and deserve with Finding Your Way in PA app.

Finding immediate and long-term resources for children and youth experiencing homelessness and their families can be overwhelming for them and the professionals who support them.

Finding Your Way in PA app is a simple and effective way to empower children, youth, and their families experiencing homelessness to search for and contact a variety of services for shelter, food, health and mental health, education, and work.

Register as a service provider at findingyourwayinpa.app/login to list and maintain your organization's services for app users to access. More than 5,000 services are already listed. The more services listed, the more children, youth, and families experiencing homelessness are helped!

Help spread the word to those you serve and with other service providers in your communities by visiting our service providers' webpage for flyers, website banner ads, social media posts, and ways to get other promotional items like bookmarks and stickers.

Finding Your Way in PA is a Pennsylvania based mobile and desktop app designed to share services, resources, and information with young people and families, particularly those experiencing homelessness. While using the app, users can search for and request assistance with services and resources in their current location, local communities, and throughout Pennsylvania to connect them with helpful supports.

The Finding Your Way in PA app is supported through the American Rescue Plan Homeless Children and Youth (ARP-HCY) Program. This program provides homeless children and youth with wrap-around services and enables homeless children and youth to attend school and fully participate in school activities.

The Finding Your Way in PA app supports educational stability and strives to foster positive education outcomes so that students and families experiencing housing instability can succeed in school, work, and life.
