

**Pennsylvania School Climate Survey**  
**Passive Parental Permission Form**

Dear Parent or Guardian:

Our school is taking part in the Pennsylvania School Climate survey provided by The Pennsylvania Department of Education. These surveys provide our school with formative and summative climate data for use with our needs assessments, program development and short- and long-term improvement planning. A link to complete the parent/guardian climate survey will be e-mailed within the next week. Students will complete an electronic version of the student surveys below in school based on their grade level during the week of March 30<sup>th</sup> through April 2<sup>nd</sup>. The following surveys are available on the school district's website for your review.

1. [Parent/Guardian Climate Survey](#)
2. [Student Grades 3 to 5 Climate Survey](#)
3. [Student Grades 6 to 8 Climate Survey](#)
4. [Student Grade 9 to 12 Climate Survey](#)

Participation in this survey is *completely voluntary*. The survey protects each student's privacy by **not** having students put their names on the survey. The results of this survey will be used by our schools for future improvement planning and programming.

If you do **NOT** want your child(ren) to take part in the survey, complete the bottom part of this form and return the form to your child(ren)'s school no later than Friday, March 27<sup>th</sup> or your child(ren) will participate in the survey process.
